Company Profile

Chengdu Huifeng Intelligent Manufacturing Technology Co., Ltd. is a wholly-owned subsidiary of Chengdu Huifeng New Material Technology Co., Ltd. (listed on the National Equities Exchange and Quotations, NEEQ). Established in 2017, the company commenced production in late 2021.

Located at No. 188, Yuanhang Avenue, Pengzhou, Chengdu, China, our company occupies an area of 70 mu (approx. 46,667 m²) with a registered capital of RMB 70 million.

With 38 years of expertise in R&D and manufacturing in diamond tool industry, our parent company is the first in China to commercialize diamond tool technology from research labs to the market.

Our company specializes in R&D and manufacturing of diamond tools and associated metal powders, offering comprehensive solutions to R&D, manufacturing, and application of diamond-based cutting, drilling, grinding, milling tools, as well as metal powders production.

With a focus on international markets, over 98% of our products are exported directly or indirectly to 36 countries and regions globally.

In 2019, We Bought 33,000M² Of Land (20 Rai) In Rojana Industrial Park, Thailand. In The Same Year, Chengdu Huifeng Established Metak Industrial (Thailand) Co. Ltd To Manufacture Diamond Tools Products. The Project Passed The Boi Audit In 2019.

(The Total Investment Of The Project: 20-25 Million Usd.

Company Honors

China Diamond Tools Industry in United States enjoys the only "Zero Tariff" enterprises in the U.S.

1.From 2016 to 2019, our company independently represented China's diamond tool industry in responding to U.S. anti-dumping investigations four times — achieving an unprecedented four consecutive "zero tariff" rulings.

2.The Ministry of Commerce of China highly commended our company, recognizing us as a model private company in handling international litigation.

3.To date, we remain the only Chinese company in diamond tool industry that enjoys "zero tariff" in the United States.

Company's industry rank

1.The first enterprise in China to enter the market from the laboratory of research institute for diamond tools.

2. The Most Complete Category In The Western Part Of China'S Diamond Tool Industry

3. The first non-foreign trade enterprise in China's diamond tool industry to export
