

Marble Sachanas

Marble Sachanas S.A. is a Greek family-owned company with over 40 years of expertise in the marble industry. Operating three active quarries, *Selas*, *Volakas* and *Damastas* we specialize in high-quality marble extraction and processing. Our state-of-the-art facilities and advanced Italian machinery ensure precision, reliability, and excellence in every project. With a commitment to innovation and quality, we collaborate with industry leaders to deliver premium materials for both residential and large-scale commercial constructions. At Marble Sachanas, we approach every new project as a challenge, pushing the boundaries of our craftsmanship to achieve exceptional results and meet the unique demands of each design.
