

Kutuk Marble is one of the well-known quarry owner companies with
55 years of experience.

We produce **10 different kinds** of marble from our quarries located in different
regions of Turkey.

We process the marbles from our quarries in slabs and cut-to-size forms in our
factories located in **Istanbul** and **Bursa**.

We produce annually **100.000 m³ blocks** and **500.000 m² slabs and cut-to-size**
materials in our own factories and quarries which are equipped with Italian machinery
and use new-generation technology at every stage of production.

And export to more than **20 countries.**
